Mr. Franklin D. Rogers, Jr., Clerk
Federal Relations with International Organizations
Subcommittee of the Committee on
Expenditures in the Executive Departments
1501 New House Office Building
Washington, D. C.

Dear Mr. Rogers:

I am enclosing a memorandum which was prepared in response to your request of 5 September for material for the use of the Select Committee to make a field study of certain matters in Europe and the Near East. The short time available for fulfilling this request has not permitted as thorough an analysis as we would have liked to provide for the Committee, but within these limitations I think this will meet your requirements.

Sincerely,
